# 1.12.2022 Veterans Home Weekly Family Updates

Dear Family & Friends -

# **COVID -19 Update:**

Here are the changes at the Veterans Home since our last update:

- One team member who was suspected to have COVID-19 is now confirmed to have the virus.
- Three additional team members, and one member are now suspected to have COVID-19.
- We are happy to report that three previously positive team members have all now recovered.

This means we currently have one confirmed active COVID-19 team member case, four suspected COVID team member cases, and one suspected member COVID case at this time.

## **Current & Cumulative COVID-19 Cases:**

Current <b>Active</b> COVID-19 Confirmed Positive:	1 (one employee)
Current <b>Active</b> COVID-19 Suspected Positive:	5 (four employees, one member)
Cumulative COVID-19 Confirmed Positive (since the Pandemic began in March 2020):	91 (twenty-five members, sixty-three employees, three contracted individuals)
Cumulative COVID-19 Suspected Positive (since the Pandemic began in March 2020):	7 (two members, five employees)
Total <b>Recovered</b> (since the Pandemic began in March 2020):	88 (twenty-two members, sixty-three employees, three contracted individuals)

The COVID cases in Wisconsin continue to rise, so we urge everyone to take extra precautions to keep yourself and your loved ones safe. All of Wisconsin continues to be in high community transmission.

We continue to test often to quickly identify any additional cases. We are working with local and state public health officials while following all guidance from the CDC and CMS to ensure we are doing everything possible to keep the members and team members safe.

While we permit visitors, we ask that anyone who feels ill or has any symptom of COVID-19 to postpone their visit. While you are visiting with your loved ones, please wear a face mask, screening in at the kiosk, practice physical distancing, and limit your movement throughout our care community as much as possible. You may also ask to receive a rapid COVID test prior to your visit, or test in the community prior to your visit. Additionally, please know the risks associated with visiting during a COVID-19 outbreak.

## COVID-19 Plan:

Our comprehensive COVID-19 Infection Prevention and Response Plan is in place to help our team prioritize the health and safety of everyone who lives in and works at the Veterans Home. This plan includes:

- Requiring team members be vaccinated against COVID-19 while encouraging members and families to get the COVID-19 vaccine;
- Utilizing appropriate personal protective equipment, including a well-fitting face covering or mask that covers the mouth and nose;
- Screening and monitoring members, team members, and visitors for symptoms;
- Using alcohol-based hand rub regularly;
- Tracing individuals who come in contact with anyone affected;
- Testing members and team members based on federal and state guidance;
- Quarantining COVID-19 positive members and implementing enhanced infection control measures;
- Advising COVID-19 positive team members to take all appropriate measures;
- Taking environmental safety precautions, such as disinfecting high-touch surfaces and designated visitation areas after each visit;
- Assuring safe congregate dining and group activities with social distancing; and
- Adhering to safe visitation procedures, including maintaining six feet of distance between persons.

Please see our website for our full COVID-19 Infection Prevention and Response Action Plan. We will continue to update you with any changes.

## **COVID Boosters**

Mighen

Finally, I cannot encourage you enough to get vaccinated against COVID-19, get your COVID-19 booster shot, and obtain your flu shot If you haven't already. The CDC and Wisconsin Department of Health are recommending COVID booster shots for everyone over the age of 12. Click here <a href="https://www.cdc.gov/coronavirus/2019-ncov/vaccines/booster-shot.html">https://www.cdc.gov/coronavirus/2019-ncov/vaccines/booster-shot.html</a> to find a booster near you, or contact Katie Plendl for assistance with scheduling your or your loved one's booster.

Best.

Megan M. Corcoran, NHA | Administrator Wisconsin Veterans Home at Chippewa Falls
